

High performing NVR platform with scalable software

Purpose built high-performance surveillance recording hardware platforms with a guaranteed support of 600Mb/s recording rate (M500A) and 1200Mb/s recording rate (M550A)

Product **highlights 4**

Easy system design – fast deployment

Easy-to-calculate system requirements using the **Husky calculator**

Preinstalled with Windows 10 operating system

Preloaded with Milestone Advanced VMS (XProtect Expert and XProtect Corporate)

Pre-licensed with XProtect Expert base software

Quick system setup with the **Husky Assistant**

High-performance NVR hardware platform

Hardware accelerated video motion detection drastically reduces the load on the CPU for increased system performance

Guaranteed performance of **600 Mb/s** or **1200Mb/s** recording rate

RAID controller is optimized for streaming applications and supports RAID 5/6/10/50

Western Digital Purple Drives are optimized and designed for surveillance NVRs

Supports up to **512/768 cameras**

Lowest NVR total cost of ownership

Industry-leading price-performance

Lower support costs with Milestone **Customer Dashboard** providing system monitoring tools and backup recovery image

Software license portability lowers license administration and management costs

Free upgrades to current Milestone XProtect software

Includes a **three-year hardware warranty** and Milestone Care™ Plus for investment protection

Milestone **HUSKY TM M500A / M550A**

M500A/M550A rear

**) Local viewing should be using hardware accelerated XProtect Smart Client and may lower overall number of cameras being recorded.

M500A ordering information

SKU	Description
HM500A-XPET-8TB	Husky M500A XProtect Expert NVR, 8TB, RAID
	5/10, Rack mounted, 0 device licenses
HM500A-XPET-16TB	Husky M500A XProtect Expert NVR, 16TB, RAID
	5/10, Rack mounted, 0 device licenses
HM500A-XPET-32TB	Husky M500A XProtect Expert NVR, 32TB, RAID
	5/10, Rack mounted, 0 device licenses
HM500A-XPET-48TB	Husky M500A XProtect Expert NVR, 48TB, RAID
	5/10, Rack mounted, 0 device licenses
HM500A-XPET-64TB	Husky M500A XProtect Expert NVR, 64TB, RAID
	5/10, Rack mounted, 0 device licenses
HM500A-XPETDL	Husky M500A/M550A XProtect Expert NVR
	device license, including three years Care Plus
UHM500A-XPETBL	Trade-in Husky M500A/M550A XProtect Expert
	NVR base license credit w/ three years Care Plus
XPCOBT	XProtect Corporate Base License
XPCODL	XProtect Corporate Device License

Specifications

Specifications	
General	Detail
Form factor	2U rack-mount
Dimensions	43(W) x 40(D) x 8.8(H) cm
Mariana	17(W) x 16.4(D) x 3.5(H) in
Maximum number of cameras	M500A: 512, M550A: 768
Add-on camera licenses	Individually
All-in-one single unit	Yes
Multi-unit	Unlimited units, centrally managed
VMS preloaded	XProtect Expert and XProtect Corporate
VMS version	2017 R1
Milestone Care Plus	Three years included
Hardware warranty	Three years included
Updates to newer VMS version	Yes, with Care Plus
VMS software upgrades	Yes, to XProtect Corporate
Maximum power consumption	90-120W
Storage system	Detail OTD (ACTO (ACTO
Video storage	8TB/16TB/32TB/48TB/64TB
Mac recording rate	M500A: 600Mb/S M550A: 1200Mbit/s
Number of ports	8
Data transfer rate	6Gb/s per port
RAID levels	5/6
Hot spare	Yes
Sector size	64KB
Number of drives	8
Drive type Compute system	Western Digital Purple drives Detail
CPU	Intel i7 3610 QE
Processor base frequency	2.3 GHz
Passmark	7463 16GB
